## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

Nicholas Savino COMPLAINT  
against  
The New York Times Newspaper  
MSNBC Cable Network  
Fox News Media Network

RECEIVED  
U.S. DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
2017 OCT 13 PM 3:39

STATEMENT OF JURISDICTION AND VENUE

The jurisdiction of this Honourable Court has been invoked under 18 U.S. Code § 241 challenging the jurisdiction of The New York Times Newspaper, MSNBC Cable Network and Fox News Media Network to stop phone and computer hacking intended to incite crimes. It is humbly submitted that this Honourable Court has jurisdiction over the matter.

STATEMENT OF FACTS

1. MSNBC Cable Network on April 1, 2015 illustrated and Fox News Media Network confirmed the intent of thier webpage on April 2, 2015 my work on the impact cushioning of military helmets that took place during August 2011 - August 2013. Also, during the time period of early 2012 The New York Times had posted a picture of a woman throwing down a paper airplane right after I had been speaking for a very long time to the FAA concering the requirement of my medical for my private pilot's license. See exhibit #1.
2. I wrote a letter on June 25, 2015 to General Martin Dempsey Chairman of the Joint Chiefs of Staff concerning financial criminal activity taking place in the stock markets and two days later MSNBC Cable Network made reference to General Martin Dempsey as 'son' 33.3, between the 50 and 25% on a musical scale, that they people in part at MSNBC were going to 'dine on the 33.3 level' and continue to commit criminal financial activity. Fox News Media Network on 4/14/17 made reference to the MSNBC 6/27/15 webpage See exhibit #2.
3. On January 10, 2015 the people at MSNBC Cable Network made reference to me on their webpage along with finanical criminal activity that they need to go insane and commit a serious crime and Fox News Media Netwrok confirmed the intent of their webpage on January 17, 2017 shortly after I had submitted the MSNBC January 10, 2016 evidence to the FBI. I live at 59 Burlington Street, I was born on September 12, 1971 and I look like Aaron Rodgers. See exhibit #3.
4. On or about January 15, 2017 I had just been in a Subway restaurant and watched Israeli Nuclear Submarine video and also just watched Watters' World: Chinatown edition. Fox News

Media Network hacked my phone and made reference to MSNBC 1 10 16 webpage that the people in part at MSNBC were trying to make me insane and make me do evil, draw blood and harm others on their January 17, 2017 webpage. Also, I was born on September 12, 1971 and I look like Aaron Rodgers. See exhibit #4.

5. On January 28, 2017 The New York Times Newspaper made reference and posted an EXACT picture as the MSNBC January 10, 2016 webpage that I had just a couple of months prior emailed to the FBI, involving me in financial criminal activity. I had just wrote to the FBI on January 27, 2017 to be aware of continued financial criminal activity in the next Investment Opportunity in America in 2018 - 2019. It is not possible for The New York Times to obtain the information within one day of my complaint to the FBI on January 27, 2017 unless they are phone and computer hacking. See exhibit #5.

6. On August 18, 2017 The New York Times Newspaper made reference, by posting a picture of people around a sewer on thier front page, to an email I sent to the United States Department of Justice on August 17, 2017 concerning the ISIS terror attack in Spain. See exhibit #6.

7. On October 1, 2017 The New York Times Newspaper made reference by posting a picture of a broken bridge in Puerto Rico to me being at New Bridge Medical Center. New Bridge Medical Center is the new name and just had it's name changed from on October 2, 2017 Bergen Regional Medical Center. See exhibit #7.

Dear Prime Minister,

Greece is currently being unfairly targeted and victimized by other EU countries by exasperating your financial status and in currently trying to remove the civil liberties and freedoms of your country. These countries are intentionally undermining your country for their own prosperity.

Please see attached 70 year cycle structure article encompassing the entire history of the United States of America Stock Market. There will be a tremendous investing opportunity in the summer of 2013 in the United States of

America and also Europe where the 70 year cycle shows a bottom. This is one of the greatest investing opportunities for people everywhere around the world to invest in the stock markets. Investment by the Greek Government and Greek people at this time can greatly diminish and even solve your financial problems.

In honor, worship and in following our holy savior, Jesus Christ that this is possible.

Kind Regards,

Dear Fox News, CNBC, LaTimes, NYTimes,  
DayStar, DowJones, WashingtonPost and HuffingtonPost,

In honor of John writer of the book of Revelation,  
In honor of the people of Israel,

The number 70 is time and again stated in the Bible. Please see attached 70 year cycle, in 17.5 year quarter cycle periods, for the entire history of the United States of America stock market. There will be a tremendous investing opportunity in the summer of 2013 in the United States of

America where the 70 year cycle shows a bottom. This is one of the greatest investing opportunities for

people everywhere around the world to invest in  
America.

In honor, worship and in following our savior, Jesus Christ that this is possible.

Jesus Christ states;

Very truly, I tell you, the hour is coming, and is now here, when the dead will hear the voice of the Son of God, and those who hear will live. For just as the Father has life in himself, so he has granted the Son also to have life in himself; and he has given him authority to execute judgment, because he is the Son of Man. Do not be astonished at this; for the hour is coming when all who are in their graves will hear his voice and will come out-those who have done good, to the resurrection of life, and those who have done evil, to the resurrection of condemnation.

John 5.25-29
